i-PARK CHANIA

Ελεγχόμενη Στάθμευση
Controlled Parking Area

The Municipality of Chania in order to facilitate the citizens and visitors in the city, has activated a new innovative information management parking system.
Users can buy parking time from their smart devices using the specifically designed app **i-PARK CHANIA** or from a point of sale of parking time (kiosks, mini markets, OPAP stores etc.)

Install the app i-PARK CHANIA quickly and simply

▶ Download the app **i-PARK CHANIA**.
Follow the links below according to your smart device or search for it in Google play or Apple store.

▶ Sign up and login in the app **i-PARK CHANIA**.
Fill in your personal information and enter the number of vehicles you want.
Warning! Fill in the license plate of your vehicle in English (Latin) characters.
Don't leave any spaces between the numbers or the letters.

▶ Top up your wallet account using your credit or debit card.

▶ Use your wallet account to buy parking time.

Serving citizens without a smart device

Buy parking time at the ticket points of sale that have the **i-PARK CHANIA** sign.
